

ARE YOU TIRED OF ALL OF THOSE PAYSTUBS STASHED ALL AROUND?

Ditch the paper and get your paystub emailed to you. You can have them emailed to your home or work email and receive the email way before you could ever receive the paper stub.

The direct deposit email stubs are easy to store electronically for quick access at any time.

It's simple, just email your name, company and email address to:
payroll@admin1s.com. That's it!

And did we mention that you may have saved the planet?
